

## Details of research facilities available to users at Colleges and Institutes

| Equipment                                       | College/Institute                | Arrangements for usage  |
|---|----------------------------------|---|
| Mass Spectrometry                               | The School of Pharmacy           | Those interested in using the service are requested to download the School's webpage:<br><a href="http://www.ulsop.ac.uk/depts/pharmchem/mass_spec.html">http://www.ulsop.ac.uk/depts/pharmchem/mass_spec.html</a>  |
| NMR(H) Spectroscopy                             | Queen Mary                       | 600 MHz NMR facility and users are charged £8.50 per hour.<br><br>Contact: Dr Harold Toms at <a href="mailto:h.toms@qmul.ac.uk">h.toms@qmul.ac.uk</a> or telephone 020 7882 3257.   |
| NMR (S) Spectroscopy                            | University College London        | Charge of £10 or £15 per spectrum depending on the number of spectra for a given sample.<br><br>Contact:<br>Dr Abil E Aliev, Department of Chemistry, University College London, 20 Gordon Street, London, WC1H 0AJ.<br>Tel: 020 7679 4616/4644<br>Fax: 020 7679 7463<br>Email: <a href="mailto:A.E.Aliev@ucl.ac.uk">A.E.Aliev@ucl.ac.uk</a>  |
| XRF Service; and MS Radiogenic Isotope Facility | Royal Holloway                   | Both at appropriate charge to the user.<br><br>Contact:<br>Matthew Thirlwall, Professor of Isotope Geochemistry, Dept of Geology, Royal Holloway University of London, Egham, Surrey TW20 0EX<br>Tel: 01784 443609 (office)<br>01784 443631 (TIMS lab)<br>01784 414194 (Isoprobe lab)<br>01784 414177 (Isoprobe Chemistry lab)<br>01784 443581 (Geology Dept)<br>Fax: 01784 471780<br>Email: <a href="mailto:matthewt@rhul.ac.uk">matthewt@rhul.ac.uk</a> |
| Unit for Historical Computing                   | Institute of Historical Research | Contact:<br>Elaine Walters, Academic Secretary, Institute of Historical Research, Senate House, Malet Street, London, WC1E 7HU<br>Tel: 020 7862 8758<br>Fax: 020 7862 8745<br>Email: <a href="mailto:elaine.walters@sas.ac.uk">elaine.walters@sas.ac.uk</a>   |
| Remote Sensing Unit                             | University College               | Contact:  |

|  |        |   |
|--|--------|---|
|  | London | <p>Chris Knell, Computer Support Manager, Department of Geography, University College London, 26 Bedford Way, London, WC1H 0AP</p> <p>Email: <a href="mailto:c.knell@geog.ucl.ac.uk">c.knell@geog.ucl.ac.uk</a></p> <p>The Remote Sensing Unit is located in Chandler House:<br/><a href="http://www.geog.ucl.ac.uk/get_here/chandler_house.htm">http://www.geog.ucl.ac.uk/get here /chandler house.htm</a></p> |
