This resource is an output from a Collaborative Enhancement
Project supported and funded by QAA Membership. The project is
led by The Careers Group of the University of London in
partnership with City University of London, King's College London
and the Centre for Online and Distance Education at the University
of London. Find out more about Collaborative Enhancement
Projects on the QAA website.

My Employability Development Journey

UNAWARE

UNSURE

EXPLORING

DEVELOPING

CONFIDENT

I am not really familiar with the idea of 'employability' or how it is useful to me I understand what employability is, but don't know how my academic learning develops it I am beginning to understand how my knowledge, attributes, skills and experience are developed through my academic learning I can identify how my knowledge, attributes, skills and experience are developing, and know which areas I want to develop more I am confident identifying what knowledge, attributes, skills and experience I have developed through my academic learning, and how to articulate what is relevant for my next career step
