   For each script, once the script mark has been confirmed at the final meeting £1.03
   Example:
   A degree programme where there were 800 script marks confirmed by the Board of Examiners, the Board fee calculation would be: £75.10 + (800 x £1.03 = £824.00) = £899.10.
   If the board fee is below £261.40, the minimum fee of £261.40 will be paid.

Example: An External examiner on a degree programme, responsible for 15 exam papers for which there are 430 scripts the total fee would be: £287.60 + (15 x £22.85 = £342.75) + (430 x £0.60 = £258) = £888.35.
