details of their fees to factor them into the overall cost of completing the programme. You can find contact details for all our [examination centres](#) on the website. The University of London is only responsible for the examination centre fee charged at London centres. You will be charged £87 per sitting when using London examination centres.

\* There may be occasions where the University cannot offer written examinations held at examination centres and may offer you alternative assessments in line with the current General Regulations instead. Where online timed assessments are offered instead of written examinations, the University of London will charge you an Online Assessment Administration Fee of £10 per assessment item. This fee will be charged at the point of assessment entry. As you will not need to attend an examination centre for these assessments, no examination centre fee applies.

### **Goods and Services Tax (GST)**

The University is required to add Goods and Services Tax (GST) to certain fees paid by students resident in certain countries. Further information can be found on [our web page](#).

All student fees shown are net of any local VAT, Goods and Services Tax (GST) or any other sales tax payable by the student in their country of residence. Where the University is required to add VAT, GST or any other sales tax at the local statutory rate, this will be added to the fees shown during the payment process. For students residing in the UK, our fees are exempt from VAT.

### **When to pay**

The non-refundable application fee is payable when you make your application. The closing date for applications is 1 October. If your application is successful, you will receive an offer inviting you to register.

You must pay the fee for at least one module to be registered with us. The closing date for registrations is 30 October.

The module fee will be inclusive of module registration and your first attempt at the assessment for that module in the year which you register. Examinations take place in May or June each year.

If you do not attempt the assessment for a module in the same year that you registered for it, or if you need to make a second or further attempt, you will need to register for the module again and pay the module fee the next time you register for it. **Please take this into account when you register for new modules; you are advised to register for a module only when you are confident that you will be able to attempt the assessment.**

A non-refundable fee may be payable if you wish to make an application for recognition of prior learning for accreditation on, or transfer to, the degree programme. You may make this application throughout the year.

\*\* A non-refundable late registration fee of £110 will be charged if payment is not received by the deadlines specified for initial or continuing registration.
