Goods and Services Tax (GST)
The University is required to add Goods and Services Tax (GST) to certain fees paid by students resident in certain countries. Further information can be found on our web page.

All student fees shown are net of any local VAT, Goods and Services Tax (GST) or any other sales tax payable by the student in their country of residence. Where the University is required to add VAT, GST or any other sales tax at the local statutory rate, this will be added to the fees shown during the payment process. For students residing in the UK, our fees are exempt from VAT.

Programme Fees may be paid in one of two ways:
Either a full course fee when you initially register for the programme covering all module and practicum fees for the PGDip or PGCert or for a stand-alone Individual module. (The full course fees no longer apply as the programme is no longer accepting new registrations).

Or, at your initial point of registration, the fee for the modules or practicums* that you wish to study in that study session. To be registered, you must pay the fee for at least one module or practicum. In subsequent study sessions, only the fees for any new modules are payable.

* Practicum 1 can be completed over the course of two study sessions. Practicum 2 can be completed over the course of three study sessions. Students should register and pay the associated fee at the point at which they register for the Practicum. No further fees will be required in subsequent sessions.

Additionally, where applicable and subject to the regulations, you may be required to pay:

- A module resit fee when registering for a previously failed module
- A practicum resit fee when registering for a previously failed practicum

When to pay

You must have paid your Programme Fees by the registration closing date for your chosen study session.

How to pay

Details on how to pay your fees are available on the website.

Your payment provider may apply additional transaction fees, including in respect of any refunds. (If in doubt, please check with them before making a payment.) Further information about fee payment options can be found in the link above.
