### **Registration and module selection**

- You must pay the fee for at least one module to be registered with us.
- When we receive your payment, we will give you a registration date that marks the beginning of your maximum five-year registration period with us.
- When the module session starts, you must keep to the University's published rules and deadlines for taking examinations and submitting coursework and projects.

### **Programme Fees may be paid in one of two ways:**

- Either a single payment, covering all module fees for the programme; or
- The fees for the modules you select to study in the first year. In subsequent years, the fees for new modules are payable.

### **What to pay**

Where applicable, you are required to pay the following Programme Fees in full:

- The module fee is payable once per module and includes access to study materials and entry into assessments associated with the module.
- The module fee includes one assessment attempt. The resit fee is required to submit a resit attempt.

### **When to pay**
