Additional costs

BA History Fee Schedule

In addition to the Programme Fees payable to the University, you should budget for textbooks (this may well be in the region of £300 per year if you are taking four modules in one year) and tuition costs (if studying at a Recognised Teaching Centre).

You should also budget for the fee charged by your local examination centre where applicable. Examination centre fees are not included within the fees set out above. This fee will vary from centre to centre and you should contact your proposed examination centre(s) for details of their fees to factor them in to the overall cost of completing the programme. Using this link, you can find contact details for all our [examination centres](#). The University of London is only responsible for the examination centre fee charged at London centres. You will be charged £87 per sitting when using London examination centres.

*The University will charge an online examination administration fee of £10 for each examination paper held online. The fee is in addition to the exam entry fees as advertised for your programme.

Goods and Services Tax (GST)

The University is required to add Goods and Services Tax (GST) to certain fees paid by students resident in certain countries. Further information can be found on our [web page](#). All student fees shown are net of any local VAT, Goods and Services Tax (GST) or any other sales tax payable by the student in their country of residence. Where the University is required to add VAT, GST or any other sales tax at the local statutory rate, this will be added to the fees shown during the payment process. For students residing in the UK, our fees are exempt from VAT.

When to pay

Programme Fees may be paid in one of two ways:

- Either a single payment, covering the registration fee and all module fees; or
- The registration fee plus the fees for the modules you select to study in the first year. To complete your registration, you must pay at the same time both the registration fee and the fee for at least one module. In subsequent years, only the fees for any new modules are payable.

The module fee is payable for each module to be studied. This fee includes your first assessment entry for that module.

The fee for an individual module taken on a stand-alone basis includes your first assessment entry. If on completion of this module you progress to the full BA, the initial registration fee will apply on transfer.

The closing date for continuing registration and module fees in subsequent years is 16 October.

An assessment resit/resubmission fee is payable per module when re-entering the assessment for a previously failed module. Students will receive separate instructions about how to pay their resit fees and the entry deadline with their invite. A fee may also be payable if you take part in an online seminar on a second occasion.

Additional fees payable to the University

BA History Fee Schedule

A non-refundable fee is payable if you wish to make an application for (discretionary) recognition of prior learning, for applicants who wish to have prior learning considered with a view to being exempted from taking a module. Such applications may be made throughout the year.

*A non-refundable late registration fee of £115 will be charged if payment is not received by the deadlines specified for registration.

How to pay

Details on how to pay your fees are available on the [website](#).

Your payment provider may apply additional transaction fees, including in respect of any refunds. (If in doubt, please check with them before making a payment.) Further information about fee payment options can be found in the link above.

Generally, students whose fees are paid by sponsors will be expected to correspond directly with their sponsor regarding Programme Fees. The University can provide an invoice, if needed, upon request. Materials will not be despatched and VLE access will not be available until Programme Fees have been received.

Fee increases

Programme Fees are subject to annual revision and typically may be increased by up to 5% per annum.
