Additional costs

In addition to Programme Fees payable to the University, if you wish to purchase hard copy textbooks you will need to budget for these (this may well be in the region of £300 per year), and the cost of any course or tuition you choose to take or, for the CertHE Common Law, are required to take.

You should also budget for the fee charged by your local examination centre. Examination centre fees are not included within the fees set out above. This fee will vary from centre to centre, and you should contact your proposed examination centre(s) for details of their fees to factor them into the overall cost of completing the programme. You can find

contact details for all our [examination centres](#) on the website. The University of London is only responsible for the examination centre fee charged at London centres. You will be charged £94 per sitting when using London examination centres.

** The University will charge an online examination administration fee of £10 for each examination paper held online. This fee will be charged at the point of exam entry and is in addition to the module and examination fees as advertised for your programme.

Goods and Services Tax (GST)

The University is required to add Goods and Services Tax (GST) to certain fees paid by students resident in certain countries. Further information can be found on [our web page](#).

All student fees shown are net of any local VAT, Goods and Services Tax (GST) or any other sales tax payable by the student in their country of residence. Where the University is required to add VAT, GST or any other sales tax at the local statutory rate, this will be added to the fees shown during the payment process. For students resident in the UK, our fees are exempt from VAT.

When to pay

The non-refundable application fee is payable when you make your application. The closing date for applications for the November intake is 1 October. For the May intake, it is 1 April. If your application is successful, you will receive an offer inviting you to register.

You must pay the fee for at least one module to be registered with us. The closing dates for registration for the November intake is 1 November. For the May intake, it is 1 May.

The module fee is payable when you register for a module. If you register for a module but do not sit exams or you sit and fail exams in that academic year, you will need to register, and pay the module fee, in each subsequent year in which you intend to sit exams.

For each exam you wish to sit, you will have to pay an exam fee. You will receive separate instructions about how to pay examination fees / resit fees and about the examination entry deadline. Examinations take place in May/June and October each year. The examination fee also applies if you are re-sitting the examination.

If you do not attempt the assessment for a module in the same year that you registered for it, or if you need to make a second or further attempt, you will need to register for the module again and pay the module fee the next time you register for it. **Please take this into account when you register for new modules; you are advised to register for a module only when you are confident that you will be able to attempt the assessment.**

A non-refundable application fee may be payable if you wish to have prior learning considered for accreditation on, or transfer to, the LLB. Such applications may be made throughout the year.

How to pay

Details on how to pay your fees are available on the [website](#).

Your payment provider may apply additional transaction fees, including in respect of any refunds. If in doubt, please check with them before making a payment. Further information about fee payment options can be found in the link above.

invoice, if needed, upon request. Materials will not be despatched and VLE access will not be available until Programme Fees have been received.

Fee increases

Programme fees are subject to annual revision and typically may be increased by up to 5% per annum.
