Goods and Services Tax (GST)

All student fees shown are net of any local VAT, Goods and Services Tax (GST) or any other sales tax payable by the student in their country of residence. Where the University is required to add VAT, GST or any other sales tax at the local statutory rate, this will be added to the fees shown during the payment process. For students residing in the UK, our fees are exempt from VAT.

Registration and module selection

- You must pay the fee for at least one module to be registered with us.
- If you wish to pay all the module fees for the MSc, you can pay the full MSc course fee.
- When we receive your payment, we will give you a registration date that marks the beginning of your registration period with us.
- When the module session starts, you must keep to the University's published rules and deadlines for taking examinations and submitting coursework and projects.

What to pay

Where applicable, you are required to pay the following Programme Fees in full:

- The module fee is payable once per module and includes access to study materials and your first entry into the assessments associated with the module.
- The full MSc course fee is payable when you first register on the programme and includes access to study materials and your first entry into the assessments associated with each module.
- The module and full MSc course fees are determined by the country in which you reside when you register (countries are classified into two categories: [Band A and Band B](#)).

If you fail a module you must repeat the module to be reassessed. You will pay the full module fee again and you will have access to Online Tutor and Module Leader support, your study materials and you will be entered for the exam session.

When to pay

You must have paid your Programme Fees by the registration closing date for your chosen study session.
