

MSc Data Science Module Running Schedule

Module Code	Module Name	Module Release Date (Indicative)	Session Availability
DSM020	Data programming in Python	April 2020	April & October
DSM030	Statistics and statistical data mining	April 2020	April & October
DSM040	Machine learning	April 2020	April & October
DSM010	Big data analysis	October 2020	April & October
DSM050	Data visualisation	October 2020	April & October
DSM060	Data science research topics	October 2020	April & October
DSM070	Blockchain programming	April 2021	April Only
DSM080	Financial markets	April 2021	April Only
DSM110	R for data science	April 2021	April Only
DSM120	Financial data modelling	April 2021	April Only
DSM500	Final project	April 2021	April & October
DSM100	Artificial Intelligence	October 2021	October Only
DSM140	Natural language processing	October 2021	October Only
DSM150	Neural networks	October 2021	October Only
DSM160	Social media and network science	October 2022	October Only
DSM170	Mathematics for Data Science	April 2023	April Only
