Schedule

# Quality Assurance Schedule – Birkbeck, University of London

# UNIVERSITY OF LONDON

Valid from: 2023-24 onwards

The University of London Worldwide (UoLW) is a Central Academic Body of the University of London, which, in collaboration with the federation members of the University, offers a suite of distance and flexible learning programmes leading to a University of London award. The terms and conditions of the partnership between the UoLW and the federation members are set out in Collaboration Agreements that detail the division of responsibilities between the respective parties. The Quality Assurance Schedule forms part of the Collaboration Agreement. It captures agreed policy, process, and operational responsibilities between the UoLW and federation members, all of which help to assure the provision and ensure compliance with the Office for Students' (OfS') ongoing conditions of registration, particularly those relating to quality and standards: Conditions B1 – B5<sup>1</sup>.

In addition, the following frameworks inform the policies and responsibilities:

- United Kingdom Quality Code for Higher Education
- Competition and Markets Authority (CMA) guidance on consumer protection law

Quality Assurance Schedules are maintained by the Quality Team and are updated annually in consultation with federation members.
